To the Wonderful Staff at Gowling WLG

On behalf of the Board of Directors, staff and families of the Charlotte Birchard Centres of Early Learning: Westboro Children's Centre and Greenboro Children's Centre, I wish to thank you for choosing to donate to our organization.

The generous donation will help go directly to programing needs as we strive to provide high quality care every day; we do our best to support children's learning, developmental, health and well-being. We strive to create a strong and meaningful partnership between families and our early learning centres. Our learning environments reflect the diversity of the children and the world in which they live and play. We commit to fostering and cultivating authentic relationships and connections so all children and their families feel welcomed, valued and have a sense of belonging.

Thank you again for your support.

Warm Regards
