Dear Cathy,

RE: Westboro Children's Centre Toddler and Preschool Program's Annual Pumpkin Hunt

On behalf of the Board of Directors of the Charlotte Birchard Centres of Early Learning, Westboro Children's Centre, we wish to thank Farm Boy Westboro for choosing to donate pumpkins to our organization.

Your generous donation will go directly to the programing needs as we strive to provide high quality care every day. We do our best to support children's learning, health and well-being. We strive to create a strong and meaningful partnership with families, our Early Learning Centres and the community we live in.

Our learning environments reflect diversity, our commitment to fostering and cultivating authentic relationships so all children and their families feel welcomed, valued and a sense of belonging. We work to maintain a strong connection with community partners and we thank you for supporting our annual pumpkin hunt.

This year the pie pumpkins will be placed in our natural outdoor space where the children will have an opportunity to participate in picking out a perfect pumpkin for them to take home.

Our school age children will be paint each pumpkin before the hunt which will be held on October 31, 2017, making the event even more special for each toddler and preschool child.

We thank you again for supporting our centre and making this possible.

Warm Regards,

Kari Dailey, RECE
